Esteemed Members,
Greetings!

After the busy months that were dedicated to Tax Audit and income tax assignments, it's now time to relax and celebrate Deepawali – the festival of lights and lamps with great grandeur and enthusiasm.

The glow of joy, prosperity and happiness brings your way, bright sparkles of serenity that stay with you through the days ahead. I wish all my dear colleagues and students a very Happy Deepawali!

Festivals are a significant part of Indian culture, acting as a vehicle for the presentation of our values and emotions. Festivals are an expressive way to celebrate glorious heritage, culture and traditions. They are meant to rejoice special moments and emotions in our lives with our loved ones.

Indian festivals are celebrated all year long and are as varied and colourful as the country's landscapes and populace. Our views and feelings are expressed via festivals and fairs, which are an essential component of Indian culture.

Wishing you all a Diwali filled with love, laughter, and the sweetness of festive treats.

JAI HIND

With Warm Regards,

CA. Vishal Puri

Respected Professional Colleagues!

Greetings!

I hope that all had a blessed Diwali and May the continuous blessings of the almighty be showered upon all throughout the year!

It is rightly said that “People with great passion can make the impossible happen.”
A painter found his passion in drawing machines with wings that flapped like birds, the first illustrations of what 500 years later became aeroplanes.

There is no limit to imagination and converting that passion into reality. Definitely there are many challenges at every step, but the commitment, determination and dedication to win makes way for every success. Past failures will, in no way deter us from abandoning the path leading to success.

In the month gone by, various programs have been conducted by the branch comprising below:

- To boost up the sports spirit, Golf tournament for CA members was organised.
- As part of developing professional education, Seminar on the power of technical analysis and creating wealth by disciplined approach in stock market was conducted for the members.
- Annual Diwali celebrations with Diwali Bumper Tambola were organised by the branch where members participated with full zeal and enthusiasm to celebrate the festival of joy.
- As part of developing professional education, Seminar on the power of technical analysis and creating wealth by disciplined approach in stock market was conducted for the members.

With this, we extend our heartfelt gratitude all our members and students for the support and motivation that you have been extending to us down the ages.

Wishing the best of health and happiness to all!

Warm Regards

CA Vincy Chadda
